INTRA-LABORATORY MEMO

January 29, 1976

To: File  
From: Harvey A. Schultz *H.A.S.*  
Subject: re Death Certificate

A telephone call was made to our regular contact in Albany, Mrs. Joan Levine, Staff Assistant of the Bureau of Vital Records (FTS 564-3075) regarding a death certificate for this case. She said that Rochester had turned in vital statistics only through October, 1975. She then gave me the telephone number of the Registrar of the City of Rochester, whom I called (8-473-5700+442-4000) and talked to Mrs. Mary Sypias, Deputy Registrar. She asked me to send a letter on our stationery; they will answer it the same day. There will be no charge because we are a government agency.
